

THE i7

Overseas model shown.

EXPERIENCE THE
FUTURE OF LUXURY.

DISCOVER THE BMW i7.

The first-ever fully electric i7 is made for those who don't want to follow trends, they create them. With handcrafted Swarovski crystal headlights, a Bowers & Wilkins surround system, and luxurious options such as an executive lounge and a multisensory in-vehicle entertainment experience for the rear passengers. The first-ever fully electric i7 brings the ultimate driving experience into a new era.

MODEL OVERVIEW.

i7 xDrive60

Model Code: 52EJ
Battery Electric Vehicle
400 kW / 745 Nm

Fuel Type: Electric
Consumption: 22.2 kWh / 100 km¹
Battery: 106 kWh
Max. DC Charge: 195 kW
0-100km/h: 4.7 sec
Range: up to 625 km¹

¹ Fuel consumption, CO2 emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another. Please contact your preferred authorised BMW dealer or BMW Group Australia for information on vehicles that are available for sale, and the various specifications and options of vehicles that are available.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations and specifications contained in these materials are accurate at the time of publication (July 2022), the information is general in nature only. While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (June 2022) and applicable for vehicles manufactured from July 2022, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia. Smartphone integration may from time to time experience interruptions due to necessary ongoing technical developments. * Prices shown are manufacturer's recommended list prices (MRPL) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$71,849 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$84,916 effective from 1st July 2022 retails.

This specification guide is for business use only and must not be distributed to customers.
