\$76,600

¹ Fuel consumption, CO₂ emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (February 2023) and applicable for vehicles manufactured from April 2023, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia. Smartphone integration may from time to time experience interruptions due to necessary ongoing technical developments. * Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$71,849 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$84,916.

STANDARD EQUIPMENT.

Powertrain and technology

- TwinPower Turbo 3-cylinder inline petrol engine
- 7-speed Double Clutch, Steptronic
- Driving Experience Control, Sport, Comfort and ECO PRO modes
- Auto Start/Stop function
- Brake Energy Regeneration
- Brake-pad wear indicator
- Electric power steering with Servotronic
- Electromechanical parking brake with Hill Descent Control (HDC)
- Performance control, engine control and brake interventions during cornering for improved agility
- ARB technology (actuator contiguous wheel slip limitation) for considerably improved traction and noticeably more sensitive and faster interventions on the driven front axle.

Safety

- Attentiveness Assistant
- Airbags (6 in total), front airbags for driver and front passenger, side airbags integrated into outer backrest bolsters for driver and front passenger, head airbags in A-pillar and roof edge for all 4 outer seats.
- Central locking with electronic immobiliser
- Dynamic braking lights
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS) and Dynamic Traction Control (DTC)
- Warning triangle and first aid kit
- Tyre repair kit

Driver assistance

- Cruise Control with braking function
- Driving Assistant, incl. Lane Departure Warning, Lane Change Warning, Approach Control Warning with city-braking intervention, Rear Cross Traffic Warning, Rear Collision Prevention and Speed Limit Info
- Parking Assistant, incl. PDC front and rear, Rear View Camera, Reversing Assistant
- BMW Head-Up Display

Light and sight

- LED headlights
- LED fog lights, front
- Rear LED taillights
- Electric fold-in side mirrors
- Exterior side mirrors, heated and electrically adjustable with anti-dazzle function for driver side and auto-dipping function on passenger side
- Interior rear-view mirror with automatic anti-dazzle function
- Lights Package incl. Ambient interior lighting with 6 pre-defined selectable colours, Door handle lighting and BMW Logo projection on driver's side
- Rain sensor incl. automatic headlight activation and rear window wiper

Exterior design and equipment

- M Sport Package
- 18" M light alloy wheels Double-spoke style 819 M Bicolour (1RL)
- M Aerodynamics Package, incl. Kidney Grille frame in Chrome, Kidney Grille struts in satinised aluminium, rear bumper with Dark Shadow insert
- M High-gloss Shadow Line incl. window frame surround, Hoffmeister kink and exterior mirror cover base.
- Single exhaust tailpipe on left, 90mm diameter
- M Sport suspension, lowered by 10mm

Interior design, comfort and equipment

- Upholstery, Cloth-Sensatec combination, Black
- Interior trim finishers 'Illuminated Boston', front
- M Headliner anthracite
- Aluminium door-sill finishers with 'M' designation
- M-Sport multifunction leather steering wheel
- Automatic air conditioning, dual-zone incl. microfilter, black vent surrounds, black buttons
- Floor mats in velour
- Foldable rear seats with 60:40 split
- Front centre armrest with storage compartment
- Front cupholders
- Door storage compartments with bottle holders, front and rear
- Storage compartment package, incl. storage nets on driver and front passenger seat rests, 2 x USB C sockets (3A) in rear, 12V power socket in front centre console, 2 x hooks in rear storage compartment, folding floor insert and defined stowing area for parcel shelf
- Sport seats for driver and front passenger, with electro-pneumatic backrest width adjustment (driver's side only)
- Automatic air-conditioning, dual-zone
- Electric Seat Adjustment for driver and front passenger
- Comfort Access system

BMW ConnectedDrive

- Intelligent Emergency Call
- BMW TeleServices
- Wireless smartphone integration for Apple CarPlay and Android Auto
- Vehicles apps (News and Weather)*
- BMW Intelligent Personal Assistant*
- Caring Car* (only with 534 Automatic air conditioning)
- Remote Software Update*
- Connected Package Professional* incl. Remote Services*, Real Time Traffic Information (RTTI)*

*3 year subscription

Entertainment, communication and information

- BMW Live cockpit Professional with 10.25" instrument display and high-resolution (1920x720) 10.25" Control Display incl. navigation, touch display, iDrive Controller, natural voice control and USB Map Update*
- Stereo speaker system with 6 loudspeakers (100W)
- DAB+ radio
- Wireless Charging for smartphone in front storage tray, incl. Bluetooth connectivity for up to 2 smartphones

*3 year subscription

¹ Fuel consumption, CO₂ emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (February 2023) and applicable for vehicles manufactured from April 2023, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia. Smartphone integration may from time to time experience interruptions due to necessary ongoing technical developments. * Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory firm. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$71,849 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$84,916.

Additional features to 128ti

Powertrain and technology

- M TwinPower Turbo 4-cylinder inline engine
- M specific tuning, selected elements
- BMW xDrive, intelligent all-wheel drive system
- M Sport Steering, more direct, linear steering ratio for low steering angle requirement

Safety

- M Sport Brakes, Blue

Entertainment, communication and information

- Harman Kardon Surround Sound System, 16 speakers (464W)

Exterior design and equipment

- 19" M light alloy wheels V-spoke 557 M Bicolour Cerium Grey matt (1Y3)
- M135i specific M Aerodynamics package contents in Cerium Grey including Mirror caps, Kidney Grille frame, Kidney Grille in mesh styling and front bumper air inlets.
- Dual exhaust pipes, angle cut, 100mm diameter in Cerium Grey
- Panorama glass sunroof

Interior design, comfort and equipment

- Upholstery, Leather 'Dakota'
- M Sport Seats for driver and front passenger featuring a unique sporty design with integrated headrests and improved lateral support

Note: M Seat belts (4GQ) is deleted

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (February 2023) and applicable for vehicles manufactured from April 2023, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia. * Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$71,849 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$84,916.

This specification guide is for business use only and must not be distributed to customers.

Ask us for more information before we provide you with our services. Terms, conditions, limits and exclusions apply, please refer to the Product Disclosure Statement for further details.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the program offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of a dynamic range of Ultimate Driving Machines.

1. BMW COMPACT DRIVING EXPERIENCE

A half day taster of the BMW Driving Experience courses.

2. BMW ADVANCE 1 DRIVING EXPERIENCE

An exciting introduction into performance driving, the one day course simulates unforeseen oversteer & understeer experiences, ideal driving lines and emergency braking.

3. BMW ADVANCE 2 DRIVING EXPERIENCE

After completing our Advance 1 course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

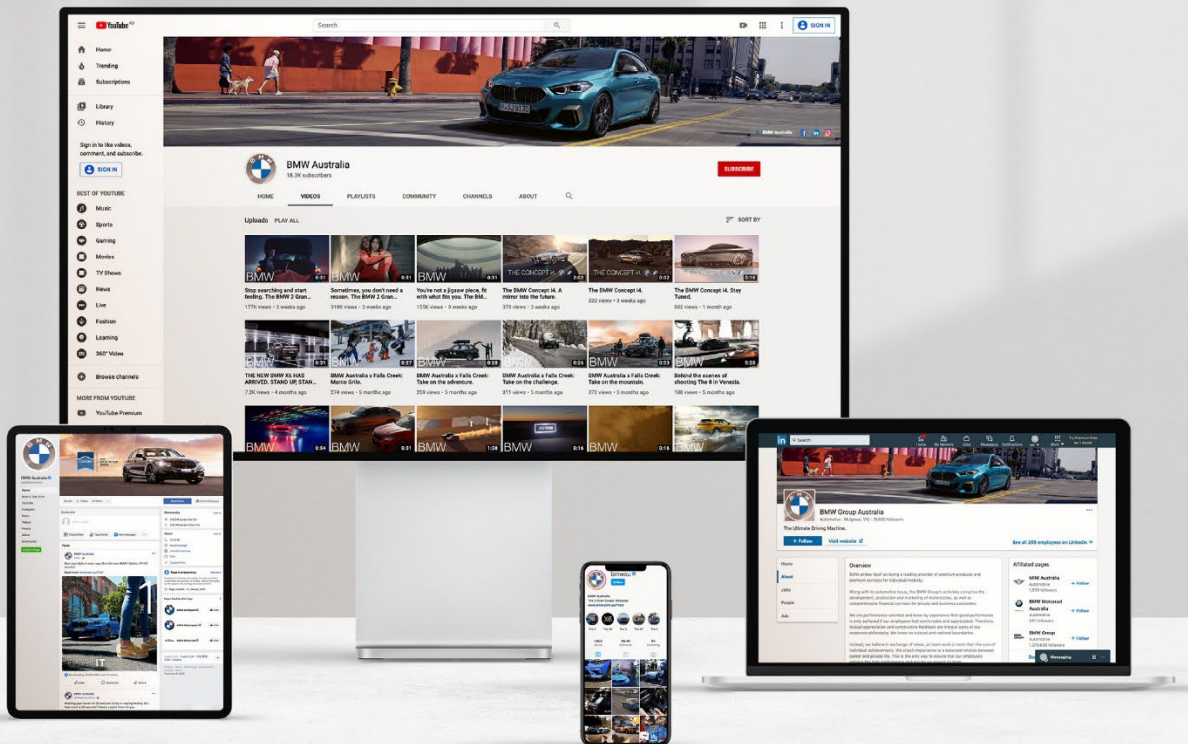

The aim of the program is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

BMW Driving Experience offers a range of courses which are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors.

To find out more about BMW Driving Experience courses and dates, please call 1800 000 269 or visit www.bmwdrivingexperience.com.au

IMMERSE YOURSELF IN THE WORLD OF BMW.
