While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (February 2023) and applicable for vehicles manufactured from April 2023, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in combination with other specific materials and information available from BMW Group Australia. * Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$71,849 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$84,916. **This specification guide is for business use only and must not be distributed to customers.**

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In conjunction with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.

Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.

BMW SERVICE INCLUSIVE PACKAGES.

Your BMW service experience can also extend to a BMW Service Inclusive package, which covers your scheduled servicing costs for a specified duration or distance (whichever comes first) in a single, once-off advance payment.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you.

If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the program offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of a dynamic range of Ultimate Driving Machines.

1. BMW COMPACT DRIVING EXPERIENCE

A half day taster of the BMW Driving Experience courses.

2. BMW ADVANCE 1 DRIVING EXPERIENCE

An exciting introduction into performance driving, the one day course simulates unforeseen oversteer & understeer experiences, ideal driving lines and emergency braking.

3. BMW ADVANCE 2 DRIVING EXPERIENCE

After completing our Advance 1 course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

The aim of the program is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

BMW Driving Experience offers a range of courses which are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors.
