

GENESIS G80

2023

DISCOVER THE GENESIS G80

Delivering a cutting-edge driving experience, intuitive technology, and ambitious design, the reimagined G80 has been lauded as everything a midsize luxury sedan should be—and so much more.

ATHLETIC ELEGANCE

From a striking silhouette to its elegant finishes, the G80 makes a statement from every angle, both inside and out.

EXTERIOR DESIGN

CREST GRILLE

The bold crest grille and signature quad lamps inspired by the Genesis emblem reflect the unique design identity of the brand.

REAR DESIGN

The rear combination lamps of the wide and simple rear design harmoniously complement the front head lamps and continue the unique design identity of Genesis.

SIDE PROFILE

The elegant and dynamic parabolic character line draws attention to the G80's sleek side profile.

THE FINER DETAILS

From the leather-wrapped steering wheel, to the smooth texture of the shift-by-wire (SBW) rotary dial, premium materials and precise details define the G80's unique interior space.

INTERIOR DESIGN

TWO-TONE LEATHER STEERING WHEEL

The exclusive two-tone steering wheel design exudes beauty and functionality with excellent grip and operability.

SLIM AIR VENT

Slim, streamlined air ventilation complements the horizontal layout of the dashboard.

PRIME NAPPA LEATHER SEAT

The available full-grain Nappa leather is minimally processed to preserve the natural texture of the hide, while the exquisite stitching conveys sheer sophistication.

DASHBOARD

The horizontal layout of the dashboard is inspired by the “Beauty of Openness” and enhances the spacious interior.

TECHNOLOGY

14.5" TOUCH-SCREEN WITH NAVIGATION AND DIS CONTROLLER

A dashboard designed to do more—enjoy the standard 14.5" high-definition touch-screen display equipped with a navigation map, Genesis Connected Services, plus the connectivity of Android Auto™ and Apple CarPlay™.

CENTRE-SIDE AIRBAG

Designed with protection at every angle in mind, the G80 offers a 10-airbag system engineered for optimal impact reduction. There's one built right in between the driver's seat and the centre console to prevent collisions between passengers and potential injuries.

SMART CRUISE CONTROL (SCC) WITH STOP & GO

Leading the way with innovation, the G80 is able to analyze your unique driving style in terms of acceleration responsiveness and following distance, and control itself in the same manner whenever Smart Cruise Control is activated.

REMOTE SMART PARKING ASSIST (RSPA)

Featuring Remote Smart Parking Assist, the G80 can assist with vehicle parking manoeuvres from inside and outside the vehicle and allows for automated parking in a variety of scenarios, including parallel and perpendicular parking.

Available on 3.5T Sport Plus models only.

SURROUND VIEW MONITOR (SVM)

360 degree video images of the area surrounding the vehicle can be viewed to assist in safe parking.

ELECTRONICALLY CONTROLLED SUSPENSION (ECS) WITH ROAD PREVIEW

Actively adjusting the G80's performance for the smoothest journey, ECS with Road Preview uses a front camera to spot potential potholes and adapts the suspension force to accommodate and reduce wheel impact. It uses map navigation to detect approaching speed bumps up ahead.

THE GENESIS G80 SPORT

With a fresh take on Athletic Elegance, the Genesis G80 Sport inherits all of the luxury and convenience from the G80 with a sportier touch and everything you would expect from a luxury sport sedan.

G80 DESIGN

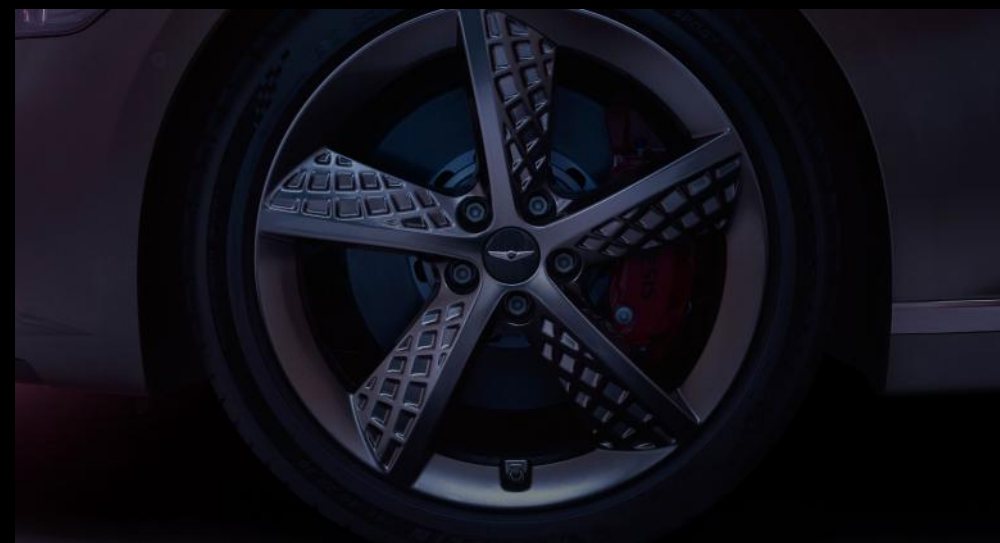

DARK GLOSSY CHROME RADIATOR GRILLE

A grille pattern in dark glossy chrome exclusively designed for the G80 Sport emphasizes its sportiness.

EXCLUSIVE G-MATRIX PATTERNED WHEELS

The exclusive 20-inch dark sputtering alloy wheels add an air of sportiness through its G-Matrix Pattern.

THREE-SPOKE STEERING WHEEL

The three-spoke steering wheel designed exclusively for G80 Sport offers a more dynamic look.

REAL CARBON GARNISH

Real carbon garnish gives a dynamic touch of sportiness.

THE POWER TO GO PLACES

2.5 TURBO

300 Maximum output
(HP/5,800rpm)

311 Maximum torque
(lb-ft/1,650-4,000rpm)

9.5 Combined fuel economy (L/100 kms)
AWD, 19"

3.5 TURBO

375 Maximum output
(HP/5,800rpm)

391 Maximum torque
(lb-ft/1,300-4,500rpm)

12.6 Combined fuel economy (L/100 kms)
AWD, 20"

PERFORMANCE

REAR WHEEL STEERING SYSTEM

Cutting-edge technology actively controls rear wheels depending on driving conditions to enhance driving stability.**

SPORT SUSPENSION

Spring robustness and shock absorbers are optimized to rev up sporty driving dynamics. In addition to different driving sensations with different drive modes, Sport + mode intensifies with more powerful tuning for circuits or tracks.*

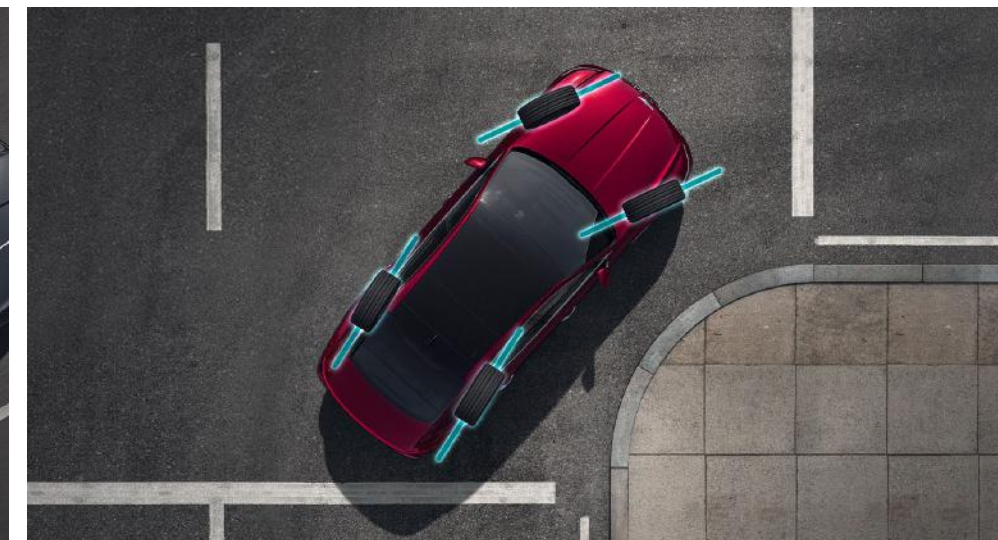

HIGH-SPEED DRIVING (HIGHER THAN 60 KM/H) IN THE SAME DIRECTION FRONT WHEELS

During cornering at mid or high-range RPMs, the rotation of the rear wheels is controlled to rotate no more than 2° in the same direction as the front. Experience the dynamics of the G80 Sport with less slip and added safety.*

LOW-SPEED DRIVING (LOWER THAN 60 KM/H) OPPOSITE FRONT WHEELS

The rear wheels rotate 3.5° in the opposite direction to the front wheels during low-speed cornering while ensuring easier, swift steering.*

* Available on 3.5T Sport & Sport Plus models only.
** Available on 3.5T Sport Plus models only.

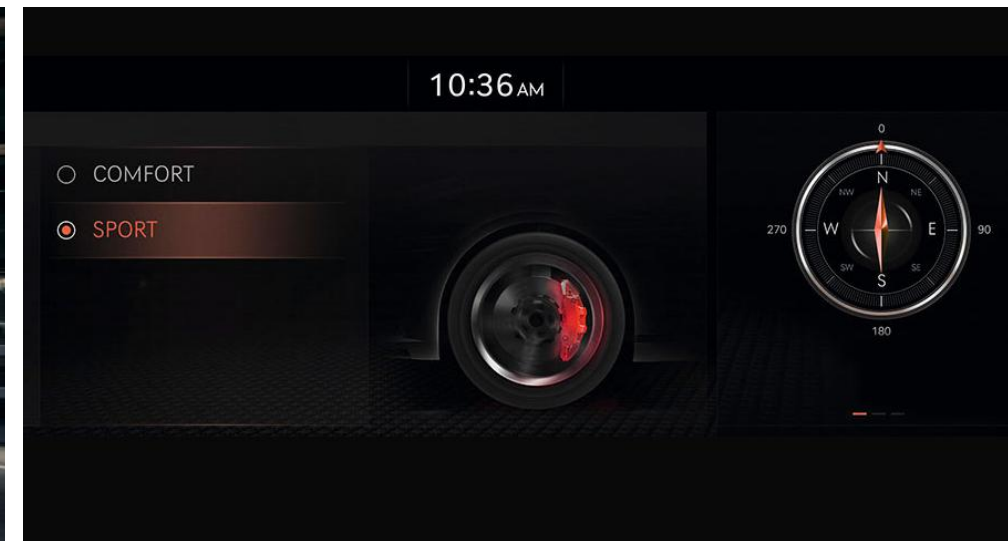

ROAD ACTIVE NOISE CONTROL (RANC)

To maximize silence, the G80 cancels road noise by emitting an inverted sound wave.*

BRAKE MODE

Choose a driving mode from Comfort, with its soft and stable braking, or Sport, ensuring speedy responsiveness and a pleasing linear braking sensation.*

SPORT+ MODE

Downshift with ease with new Sport+ mode, offering maximized acceleration and responsive shifting. Agile downshifting activates when sudden braking is detected, while upshifting can be prevented during cornering, controlling engine torque. Active sound design doubles your driving pleasure, unleashing thrilling rumbles and roars.*

*Available on 3.5T Sport & Sport Plus models only.

A FULL SUITE OF ADVANCEMENTS

Abundantly equipped with an array of cutting-edge innovations, the Genesis G80 is designed to do more for you than it ever has. From a wealth of protective features that prioritize your safety, to the premium technology in every detail—its intelligence elevates every journey.

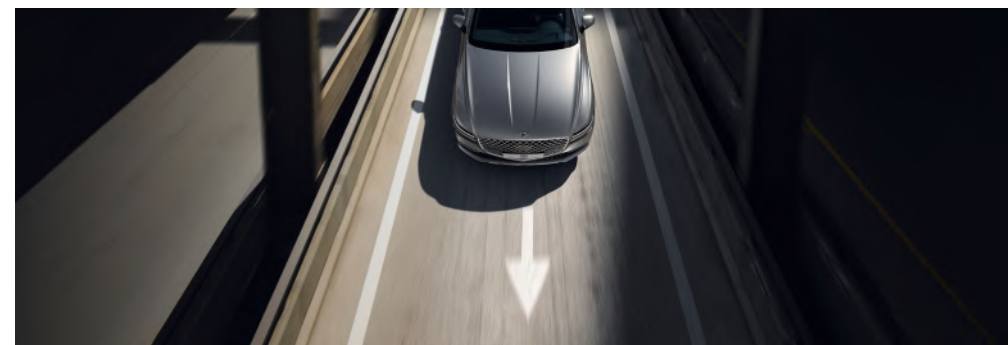

SAFETY

FORWARD COLLISION-AVOIDANCE ASSIST (FCA)

A comprehensive monitoring system that warns you of potential collisions and automatically applies the brakes (if necessary) may be something familiar, but when you pair it with these Genesis-first technologies—your safety has never felt this secure.

LANE KEEPING ASSIST (LKA)

This system alerts the driver if the vehicle leaves the lane while driving over a certain speed and without the use of the turn signals. LKA may also apply steering wheel control if the vehicle leaves the lane.

BLIND-SPOT COLLISION-AVOIDANCE ASSIST (BCA)

This system alerts the driver of approaching vehicles in the blind-spot area when the driver activates the turn signals to change lanes or when exiting a parallel parking spot. If the risk increases even after the warning, the system helps to automatically stop the vehicle to avoid a potential collision.

SAFE EXIT ASSIST (SEA)

When passengers are about to exit a parked vehicle, SEA detects vehicles approaching from the side rear and sends a warning. It also maintains the electronic child safety lock to keep the doors locked until the approaching vehicle has passed.

FORWARD ATTENTION WARNING (FAW)

While you drive to your next destination, the G80 monitors your eye direction with an intelligent interior view camera on the dashboard. If it detects distraction or closed eyes, it warns you with audible and visual cues to secure your attention on where it should be—the road ahead.

Available on 3.5T Sport Plus only.

GENESIS COMPLIMENTARY 5-YEAR CARE PLAN

ENJOY A 5-YEAR/100,000 KM* WORRY-FREE OWNERSHIP EXPERIENCE.

With exclusive services such as complimentary scheduled maintenance and roadside assistance, we're driven to exceed expectations, not simply meet them. With the Genesis Complimentary 5-Year Care Plan, your privileges extend beyond the comforts of the cabin to ensure that every need is met. Genesis owners can drive anywhere and anytime with complete peace-of-mind.

COMPLIMENTARY SCHEDULED MAINTENANCE*

Enjoy a worry-free ownership experience that includes Complimentary Scheduled Maintenance for 5 years or 100,000 km, whichever comes first.

COMPLIMENTARY MULTIMEDIA & NAVIGATION MAP UPDATES*

Keep your vehicle's advanced navigation system up to date with complimentary annual updates.

AT HOME VALET WITH COURTESY VEHICLE SERVICE*

For service and maintenance appointments, simply contact Genesis at Home and we'll come to your location of choice to pick up your vehicle. While your vehicle is being serviced, a Genesis courtesy vehicle is left at your disposal.

GENESIS CONNECTED SERVICES**

Stay connected with a suite of digital applications and remote services that are your direct link to convenience and confidence with a complimentary subscription to Genesis Connected Services.

COMPREHENSIVE LIMITED WARRANTY*

Enjoy peace of mind with a 5-year/ 100,000 km comprehensive limited warranty.

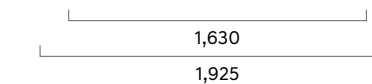

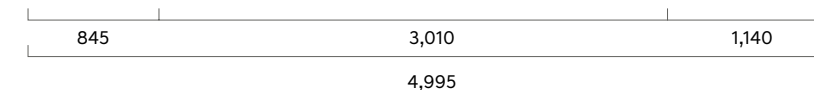

24/7 ENHANCED ROADSIDE ASSISTANCE**

Once you take delivery of your vehicle, you're seamlessly enrolled in our 5-year 24/7 Roadside Assistance program. In the rare event your travel plans take an unexpected turn, Roadside Assistance will provide timely flatbed towing to the nearest Genesis authorized service facility.

*See back for details.
