

2022 GLADIATOR

Jeep®

NO TOY LEFT BEHIND

JEEP® GLADIATOR RIDES AHEAD OF ALL THE REST, ENGINEERED TO PULL, PACK AND DO EVERYTHING FOR THOSE WHO DEMAND MUCH, MUCH MORE FROM A PICKUP TRUCK.

TOW UP TO
2721
kilograms

When you want to extend your playground, you'll want to bring along more fun. Gladiator has the available strength and capability to tow some of the most impressive toys out there. Go all out and open up your world.

Overseas model shown.
Vehicle shown with dealer-installed towing equipment.
Offers up to 2721-kg maximum towing when properly equipped.
Properly secure all cargo. Always tow within the vehicle's capacity.
Tonneau Cover sold as separate accessory.

BRING IT ON

UP TO

601
kilograms

This versatile 1531- x 1442-millimetre truck bed is built to carry almost everything to virtually every place you dream of reaching. Its three-position tailgate and available spray-in bedliner add more function to your fun.

SELEC-TRAC® FULL-TIME 4x4 SYSTEM

With an active 4x4 transfer case, this system does all the thinking, sending torque to the wheels with the most grip and providing continuous, optimum traction for all types of conditions. The Smart Lock feature keeps the system engaged during off-roading or slippery road conditions. Standard on Night Eagle.

ROCK-TRAC® FULL-TIME 4x4 SYSTEM

This system offers the capability of Rock-Trac® with the added convenience of a full-time, active transfer case that can provide optimal traction over changing road conditions. Standard on Rubicon.®

FOUR-WHEEL- DRIVE CAPABILITY

Overseas model shown. Tonneau Cover sold as separate accessory.

THE GUTS TO GET YOU THERE

WHEN THE GOING GETS TOUGH, JEEP® GLADIATOR GETS YOU WHERE YOU NEED TO GO. YOU'RE SUPPORTED WITH A FULL LINEUP OF FEATURES THAT HELP YOU MANAGE YOUR PROGRESS AND PROTECT YOUR VITAL PARTS WHILE KEEPING YOU INFORMED OF VEHICLE PERFORMANCE ALL ALONG THE WAY.

SELEC-SPEED® CONTROL

Manages vehicle speeds of 1.2 kph to 8 kph in 4-LO while traversing off-road terrain without requiring the driver to control the throttle or the brake. This helps the driver focus on steering the vehicle, letting Gladiator put the right amount of power or braking onto the ground. Included with 8-speed automatic transmission.

HILL START ASSIST (HSA)

Works to prevent Gladiator from rolling when starting on an uphill gradient.

AVAILABLE STEEL BUMPERS

Built with ultra-strong steel to take the punishment of the trails. The front bumper can accept a winch, features integrated LED fog lights and has removable end caps to help manoeuvre through tight spots.

SKID PLATES All models feature up to four skid plates/bars, made from lightweight high-strength steel, to protect the underbody. Rubicon® adds heavy-gauge steel rock rails for rocker panel protection and also includes rock rails mounted behind the rear wheels to protect the bed.

AVAILABLE TOW HOOKS

Gladiator Rubicon® can be equipped with up to two red tow hooks up front and two in the rear.

OFF-ROAD PAGES View real-time data like suspension travel, tilt and pitch, wheel turn and transmission temperature to help provide optimal performance.

LOCKED IN YET FLEXIBLE

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in 4x4 traction. An instrument-panel-mounted rocker switch can lock both axles. Paired with the Rock-Trac® 4x4 system on Rubicon models. The rear axle can also be locked in 4-HI.

OFF-ROAD+

When engaged, it automatically deciphers the type of terrain Jeep® Gladiator is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, it tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling manoeuvres. Standard on Rubicon models.

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar can be disconnected in 4-LO and 4-HI, allowing the front suspension to travel up to an additional 30 per cent. It reconnects automatically at speeds above 28 kph. Standard on Rubicon models.

TRAIL RATED®

A JEEP® GLADIATOR BEARING A TRAIL RATED® BADGE EXCELS IN THESE CATEGORIES:

ARTICULATION

A higher level of suspension travel allows better control over varied terrain.

TRACTION

Efficiently transfers power to traverse varied surfaces with consistent grip.

GROUND CLEARANCE

Approach, breakover and departure angles are all maximised.

MANOEUVRABILITY

Precise, responsive steering and an optimised wheelbase.

WATER FORDING²

Can traverse water depths of up to 760mm.

PROUD TO BARE IT ALL

UNFETTERED, OPEN-AIR FREEDOM IN EVERY DIRECTION MAKES JEEP® GLADIATOR ABSOLUTELY UNIQUE. INVITE THE SUNSHINE INSIDE FOR THE RIDE, ALONG WITH ALL THE GOODS YOU WANT TO CARRY IN THE TRUCK BED. LET NOTHING STOP YOU FROM FEELING THE WIND IN YOUR HAIR, WITH NO SEPARATION BETWEEN YOU AND THE SCENERY AT HAND.

REMOVABLE³ TOPS

Open-air driving has never been more fun than with the Standard Black Three-Piece Freedom Hard Top or Available Body Colour Three-Piece Freedom Hard Top.

FOLD-DOWN WINDSCREEN³

The aluminium-framed windscreen is easy to unfasten, fold down and secure to the bonnet with available straps.

REMOVABLE³ DOORS

Made of lightweight aluminium, the doors are designed for easy removal³ with the included TORX® toolkit.

RELAX IN A COSY CABIN

INSPIRED BY JEEP® BRAND HERITAGE, THIS INTERIOR IS ALSO INFLUENCED BY MODERN DESIGN, FILLED WITH PREMIUM MATERIALS AND CREATURE COMFORTS, AND INFUSED WITH THE LATEST LEAPS IN MUST-HAVE TECHNOLOGY.

REMOTE START SYSTEM⁴

Climb into a pleasantly preheated or precooled Jeep Gladiator — up to a 91-metre range.

AVAILABLE HEATED FRONT SEATS

You have three adjustments to choose from for each seat, so you can tailor your level of warmth to weather conditions and personal preference.

AVAILABLE HEATED STEERING WHEEL

Set this optional feature to automatically warm the full 360° circumference of the wheel when temps dip below 4°C.

HEATED MIRRORS

Keep ice from building up and blocking your view with the safety and security of heated side mirrors.

REMOTE PROXIMITY KEYLESS ENTRY

Keep the key fob in your pocket, and you can simply open the door, get comfortably seated with your foot on the brake, press the Start button and head out.

A CLOSER LOOK

7-INCH DRIVER INFORMATION DISPLAY

Front and centre in the gauge cluster, you'll find a wealth of scrollable vehicle data in full colour that you safely control via steering-wheel buttons.

DURABLE STYLE Jeep® Gladiator is crafted with premium materials and more attention to detail, so you can pay attention to the road ahead in comfort. This is style that steps it up to perform extra duty, for both business and pleasure.

**ATTENTION
TO DETAIL**

Overseas model shown.

AIR CONDITIONING WITH AUTOMATIC TEMPERATURE CONTROL

Constantly adjusts the air temperature inside the cabin to create separate customised environments for the driver and front passenger.

NEW JEEP® AIR FILTRATION SYSTEM

We have enhanced the air filtration system in Jeep® Gladiator to provide even cleaner air for you and your family. The new Air Filtration System filters 95 per cent of air particulates, reducing pollen, allergens and bacteria.

Tonneau Cover sold as separate accessory.

ENJOY IT FROM THE INSIDE OUT

WEATHERPROOF PUSH-BUTTON START The standard push-to-start button is protected by a water-resistant shield, so you're able to start up and head out should the weather outside accidentally come inside.

WASHABLE INTERIOR Not only is the carpet weather-resistant, but it can be removed³ to reveal drain plugs that, when removed,³ allow the floor to be easily hosed out.

COMMAND CENTRE It's all conveniently laid out and right at hand. Important functions and settings are arranged on the front dash and console, providing access via quality dials and firm buttons.

MORE POWER TO YOU Connect to and power up your devices with the USB port,⁵ micro USB port,⁵ 12-volt outlet and the audio jack situated on the front dashboard.

AVAILABLE AUXILIARY SWITCHES This bank of four switches, conveniently installed in the dashboard, is pre-wired from the factory to accept accessories like off-road lights and a winch, making their addition clean and hassle-free.

ALPINE® PREMIUM AUDIO SYSTEM

ROCK OUT

SURROUND YOURSELF WITH AN EXHILARATING AUDIO EXPERIENCE THAT INCLUDES NINE SPEAKERS, AN OVERHEAD SOUND BAR, AN ALL-WEATHER SUBWOOFER AND 552-WATT AMPLIFIER.

AVAILABLE PORTABLE BLUETOOTH® SPEAKER

Tucked behind the rear seat is a removable, weather-resistant, Bluetooth® speaker you can take outside the cabin. Control buttons allow volume control, play/pause and pairing. A USB charging port⁵ and auxiliary cable input extend functionality. Resists dust as well as water (for up to 30 minutes in up to 1 metre of depth). Great for barbecuing and camping.

Uconnect®

A LOT TO CONNECT WITH

The Uconnect® system is your customisable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use touchscreen.

PHONE/TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,⁶ select media stations and access navigation. Includes Apple CarPlay^{®7} support with your connected iPhone[®] and Android Auto.^{TM8}

Shown with dealer-installed towing equipment.

TRAILER SWAY DAMPING (TSD)⁹ When you're towing valuable toys, it's critical to help keep things under control. TSD⁹ helps improve handling should crosswinds or traffic become challenging. The system continuously monitors vehicle movement and adjusts brake pressure to individual wheels until you're moving safely forward once again.

PULL WITH CONFIDENCE

DESIGNED TO SUPPORT YOUR ADVENTUROUS NATURE, JEEP[®] GLADIATOR HAS OVER 80 STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES THAT WORK TO HELP YOU SUCCESSFULLY NAVIGATE CHALLENGING WEATHER AND TERRAIN.

Shown with dealer-installed towing equipment. Tonneau Cover sold as separate accessory.

PARKVIEW[®] REAR BACK-UP CAMERA¹ When the vehicle is in Reverse, the Uconnect[®] screen displays a wide-angle view of what's immediately behind your vehicle, revealing objects that may have been out of your sight line. On-screen dynamic grid lines help you see your back-up path or line up a trailer to your hitch.

Properly secure all cargo. Always tow within the vehicle's capacity.

ADVANCED SAFETY & SECURITY SYSTEMS

WHEN IT COMES TO YOUR WELL-BEING ON THE ROAD, JEEP® GLADIATOR IS READY AND WILLING TO STAND AS A CONSTANT GUARDIAN. GLADIATOR ENVELOPS YOU WITH MORE THAN 80 STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES. SENSORS AND CAMERAS KEEP WATCH AROUND YOUR PERIMETER FOR COMPLETE PEACE OF MIND.

BLIND SPOT MONITORING¹⁰ AND REAR CROSS-PATH DETECTION¹

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached.

PARKSENSE® REAR PARK ASSIST SYSTEM¹¹

Works in tandem with the ParkView® Rear Back-Up Camera¹ to help display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react.

At speeds below 6 kph, the system will automatically bring the vehicle to a stop if an object is detected.

FULL-SPEED FORWARD COLLISION WARNING PLUS¹²

Uses radar and sensors to video-detect when you may be approaching another vehicle too rapidly. An audible and visual alert is given or the system assists the driver in mitigating a potential collision.

HILL START ASSIST (HSA)

Take to the hills fully loaded with confidence and a bed filled with goods. HSA works to prevent your vehicle from rolling when starting on an uphill gradient.

ELECTRONIC STABILITY CONTROL (ESC)¹³

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC¹³ coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS), Traction Control and Trailer Sway Damping (TSD),⁹ sending them into action when needed.

CARVE YOUR
OWN PATH

4x FORTRESS

THIS HIGH-STRENGTH SUPER STRUCTURE HELPS PROTECT EVERY OCCUPANT AND IS FILLED WITH FEATURES THAT ADD PEACE OF MIND.

BODY STRENGTH The exceptionally solid safety cage consists of high-strength steel paired with lightweight aluminium, designed to make Jeep® Gladiator light in weight while still providing a very strong chassis.

NEXT-GENERATION FRONT AIR BAGS¹⁴ In the unfortunate occurrence of a collision, these air bags¹⁴ deploy nearly instantaneously, helping provide front-occupant protection.

SUPPLEMENTAL FRONT-SEAT-MOUNTED SIDE AIR BAGS¹⁴ Deploying from the outboard side of each front seat, these air bags¹⁴ enhance the protection of the driver and front-seat passenger in certain impacts.

ULTRASONIC AND ANTI-TILT SECURITY SYSTEM The alarm is activated by virtually any unauthorised movement, such as wheel removal or towing; illegal opening of a door, bonnet or swing gate; ignition start; cutting of battery leads; or motion inside the cabin.

SENTRY KEY® ANTITHEFT ENGINE IMMOBILISER A unique, embedded key code matched only to your vehicle helps keep your Gladiator safe and secure where you parked it.

LED LIGHTING GROUP

Maintain a unique — and safe — presence after dark, and add extra visual security during the day. The traditional round headlights are equipped with unique daytime running lights (DRLs), and the Group's LED headlights, tail lights and front LED fog lights are designed to enhance visibility during inclement weather.

UCONNECT® INTEGRATED VOICE COMMAND WITH BLUETOOTH®

Multitasking is the way of today's world, even when you're on the road. This important safety feature allows drivers to safely send, reply or listen to a text⁶; take or make phone calls; get navigation directions; and more while keeping both hands on the wheel.

THE HEART AND SOUL

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimised, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep® Gladiator. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades, 4x4 gears and towing. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride.

3.6 PENTASTAR® V6 ENGINE

Load up, set your waypoint and confidently take on every adventure over mountains, hills and valleys. This award-winning engine is designed to deliver powerful pull with welcome efficiency. Economies are realised via enhancements, including a two-step Variable Valve Lift System specifically designed to remain predominantly in low-lift mode until more power is demanded, when it will quickly move into high-lift mode for improved combustion. Its cooled exhaust-gas recirculation and innovative weight-reduction strategies also aid efficiencies and power output while maintaining the smooth performance that's a recognised hallmark of the Pentastar® engine.

209 kW

347 Nm

AVAILABLE SPRAY-IN BEDLINER

This durable and attractive liner is available from the factory, helping to protect the cargo bed from whatever you throw at it.

Properly secure all cargo.

AVAILABLE CARGO MANAGEMENT GROUP WITH TRAIL RAIL™ SYSTEM

Keep cargo organised, secure and easily at hand. Three embedded rails with adjustable tie-down sliders run along the inside of the truck bed and behind the cab. This Group also includes a lockable rear underseat storage.

MORE THAN TOUGH ENOUGH

A traditional steel bed utilises steel crossmembers to reinforce the load floor while the aluminium tailgate is damped. Utility and versatility are maximised with strong, integrated tie-downs and LED bed lighting.

PACKED FOR ACTION

THREE-POSITION, SOFT-OPEN TAILGATE

The standard lightweight aluminium tailgate is damped for safe and smooth opening and closing. It can be set in three different positions, allowing you to securely transport items of various sizes, including 1.21- x 2.43-metre sheet goods.

Properly secure all cargo.

Tonneau Cover sold as separate accessory.

**AVAILABLE LOCKABLE REAR UNDERSEAT
STORAGE BIN**

Hidden under the rear seat, this lockable and removable³ box offers out-of-sight storage for plenty of gear. It includes two independently locking doors, movable dividers and a carry handle.

LOAD IT UP
LOCK IT DOWN

HARDWARE STORAGE

There's even a covered compartment under the rear seat to securely hold the bolts from the top, doors and windscreen.³

BRING IT ALL

FLEXIBLE REAR SEATING The 60/40 split-folding rear seat can be configured multiple ways. Both seatbacks can be folded down independently, or the seat bottoms can flip up.

LOCKABLE BEHIND-SEAT STORAGE The rear seatbacks can be locked upright using the vehicle key, providing secure and illuminated storage behind the seat, especially helpful when the top is off and the doors are removed.⁵

LOCKABLE GLOVE BOX AND CENTRE CONSOLE These locking compartments are large and provide essential peace of mind.

BINS AND POCKETS The cabin is designed to help you stay organised with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more. The two-tiered centre console has a main bin big enough to fit an iPad® and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for mobile phone or key fob storage.

Properly secure all cargo.

**MODULAR SEATBACK
JEEP® UTILITY GRID
SYSTEM** Built into the seatbacks of Rubicon® are grids that support the addition of flexible storage. Strong nylon woven straps will accommodate MOLLE-style bags. Standard on Rubicon models.

Overseas model shown.

Properly secure all cargo.

RUBICON®

GLADIATOR RUBICON® Bearing the name that stands for ultimate mastery within the Jeep® Brand, Gladiator Rubicon® arrives with all the features that make it worthy to master the world's most challenging terrain. The Rock-Trac® Active On-Demand Full-Time 4x4 System and an electronic sway bar disconnect are supported by heavy-duty off-road Dana® 44 axles. The front and rear selectable lockers, plus available FOX® 2.0 performance shocks, raise its capability to the greatest of heights. A full complement of skid plates keep it all protected. Inside, the cabin boasts a long list of premium standard features.

Overseas model shown. Tonneau Cover sold as separate accessory.

U.S. Uconnect® screen shown.

ADVENTURE AWAITS

(1) Always check entire surroundings visually before proceeding. (2) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (3) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windscreen. Driving with the doors off and windscreen down is for off-road use only. (4) Check state and local laws regarding the use of remote start systems. (5) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (6) Voice Text Reply feature requires a compatible mobile device that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. (7) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (8) To use Android Auto on your car display, you'll need an Android phone running Android 6 or higher, an active data plan and the Android Auto App. (9) Always drive carefully, consistent with conditions. (10) Always check visually for vehicles prior to changing lanes. (11) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (12) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (13) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (14) Always sit properly in designated seating positions with seat belts securely fastened at all times.
