

QASHQAI

Taking QASHQAI to the next level

With the launch of the first generation Nissan QASHQAI in 2006, Nissan pioneered the now incredibly popular C-SUV segment globally. Nissan Australia introduced the first generation QASHQAI, badged Dualis, in 2007 and the vehicle quickly became a best-seller in the Nissan range.

Now, meet the all-new Nissan QASHQAI. Bolder and even better equipped, the QASHQAI is also safer thanks to new safety technologies and driving aids aimed at supporting you on the road.

Images and descriptions shown are for guidance purposes. In some instances photos are of non-local specification vehicles and do not represent a specific model, grade or offer. The features shown may not be available or may not be available as standard or only as option. Overseas pre-production QASHQAI Ti with optional two-tone roof shown throughout.

A New Form of Expression

QASHQAI brings a new vision to crossover design with muscular proportions, a vibrant palette including a variety of two-tone colour options*, brilliant LED lighting, low-profile aluminium roof rails[†] and imposing 19" alloy wheels[‡].

Refined design and seductive functionality

Everything about the interior of the Nissan QASHQAI feels advanced and premium. From its steering wheel to its centre console, everything has been ergonomically designed for total driving comfort. Enhanced screen visibility and seamless tech integration helps you stay alert and focused on any drive.

Appreciate the clarity of the 10.8" Head-up display*, 12.3" TFT Advanced Drive-Assist® Display instrument cluster* and 12.3" infotainment display^.

The three large screens work together in perfect harmony for a safer, clearer, more optimised driving experience.

12.3" TFT Advanced Drive-Assist® Display instrument cluster*

Fast (15W) wireless charger#

10-speaker BOSE® audio system*

*Available on Ti only.
^Available on ST+ and above.
#Available on ST-L and Ti only.

Room for everyone. And more

Nissan QASHQAI combines a spacious interior and generous boot space with a compact, city-friendly exterior for easy manoeuvrability. Passengers sit in comfort with room amongst the best in its segment, thanks to a bigger cabin, easy access and easier child seat fitment with an 85° rear door opening, plus thoughtful small touches like two USB charging ports and rear air vents for rear passengers.

Ti interior shown.

Your personal space has never felt more personal

Relax in ergonomically designed seats and feel the comfort on even the longest journeys with optimised lumbar support. Been a long day? With premium-quilted leather-accented seats in the Ti**, activate QASHQAI's massage seats*, for both driver and passenger, and feel the stress disappear. With the addition of quality finishes throughout and enhanced safety, thanks to a new central airbag, there's even more refinement and peace-of-mind for all the family.

CENTRAL AIRBAG

*Massage Seats are only available on Ti grade.
**Leather accented features and upholstery may contain synthetic material.

Handsfree power tailgate*

UP TO 429L BOOT SPACE

ST / ST+ / ST-L	429L
Ti	418L

UP TO 1,524L WITH FOLDED SEATS

ST / ST+ / ST-L	1,524L
Ti	1,513L

Unexpected cargo capacity

Up to 1,524L of space means the QASHQAI is ready to carry everything you need. Two luggage boards* offer 16 boot configurations for maximum flexibility, whatever your cargo. Smart features like the Nissan handsfree power tailgate* and wide opening rear doors take the hassle out of packing and unpacking, so you can make the most of your precious days out.

*Available on Ti only.

Safety at its heart

Every QASHQAI is equipped with advanced safety technologies designed to watch the road, help to keep you safe and give you maximum peace of mind.

INTELLIGENT CRUISE CONTROL helps you to keep your distance. It measures the distance from the vehicle ahead, controlling acceleration and deceleration to help to maintain a suitable following distance within your set speed.

INTELLIGENT FORWARD COLLISION WARNING keeps an eye up to two vehicles in front of you. When the system detects a sudden deceleration ahead, it gives you an audible and visual warning to slow down.

INTELLIGENT REAR AUTOMATIC BRAKING helps you back up with confidence. If an object is detected behind your vehicle, the system can automatically engage the brakes to help avoid a collision.

EMERGENCY LANE KEEPING A full suite of technologies to help you avoid unintentional lane departure. Keeps you centered in the lane using either a steering wheel action* or braking in an emergency situation.

INTELLIGENT FORWARD BRAKE & JUNCTION ASSIST Monitors the surrounding area in front of the car for vehicles and pedestrians, helping avoid or reduce damage caused by collisions with Junction Assist assisting further by monitoring what is around corners.

Shine a light on safety

The QASHQAI is ahead of its segment in offering Adaptive Driving Beam* Technology. It splits the high beam into 12 individual segments, automatically turning off segments which could dazzle oncoming drivers. Maximum visibility for you and for those around you.

*Available on ST-L and TI grades only.

ProPILOT

The QASHQAI includes ProPILOT, ensuring comfortable, relaxed driving on major roads. ProPILOT is convenient and easy to use. Simply enable the system with the touch of a button on the steering wheel. It is a hands-on driver assist system that combines Nissan's Intelligent Cruise Control and Steering Assist technologies and includes a stop and hold function that can bring the vehicle to a full stop. If you're stopped, it will hold you in place and bring you back up to speed when traffic starts moving again. This technology supports a smoother drive, helping you keep safe in your lane, whilst assisting in maintaining an ideal and safe distance from the vehicle in front, whatever the gradient.

*Available on ST-L and Ti only.

ProPILOT is an Advanced Driver Assist technology but cannot prevent collisions. ProPILOT is intended for "Eyes on/Hands On" for highways only (road separated by Barriers). It is the driver's responsibility to stay alert, drive safely and remain in control of the vehicle at all times.

Tight spot? No problem

If you hate parking, you'll love Nissan QASHQAI. The new digital high resolution Around View Monitor* gives you a 360° view of your car, with selectable focus on the front, rear and kerbside view to help you park with confidence and control. Nissan QASHQAI Ti grade is also equipped with Intelligent Park Assist, offering automatic parking space detection and fully automatic control of the steering, with the driver taking care of the braking and accelerator when parking. Now parking really is child's play.

Rear camera see what's right behind you.

Side camera flick the switch to see the kerb.

All-around view gives a virtual 360° birds' eye view as you manoeuvre.

Front camera gives combined front and overhead view for perfect parking.

*Available on ST+ grade and above.

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

NISSAN CAPPED PRICE SERVICE

All Nissan vehicles first registered from 1 January 2018 are eligible for Nissan Capped Price Service. As part of this servicing program, we've capped the maximum price you'll pay for the first six services according to your vehicle's service schedule[#].

5 YEAR/UNLIMITED WARRANTY

Receive assurance with a 5 year/unlimited warranty[†].

5 YEARS ROADSIDE ASSISTANCE

No matter where you're planning to journey, you'll have the peace of mind of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we'll help get you back on the road at no charge[‡].

OPTIONAL PRE-PAID MAINTENANCE PLANS

Our optional Pre-paid Maintenance Plan takes the hassle out of budgeting for scheduled service costs over time, instead offering you the convenience of a one-off payment when you purchase your new Nissan vehicle.

NISSAN GENUINE ACCESSORIES

Your Nissan Dealer can show you a variety of Nissan Genuine Accessories to protect, enhance and personalise your Nissan QASHQAI.

FINANCIAL SERVICES

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

[#] Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. Applies for up to 6 years/90,000km (whichever occurs first). Some exclusions apply. Ask your Nissan Dealer or visit nissan.com.au/service to find out more and for full terms and conditions.

[†] New Vehicle Warranty expires 60 months from date of first registration. Conditions apply. See nissan.com.au for more details. NOTE: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

[‡] Terms and conditions apply, please visit nissan.com.au/roadsideassistance

[^] Premium paint available at extra cost.

Nissan Intelligent Mobility guides everything we do. At Nissan, we use new technologies to transform cars from mere transportation. Together the journey is more confident, connected, and exciting. Whether it is cars that share the task of driving or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.
