

2022 WRANGLER

Jeep

PROUD TO BARE IT ALL

UNFETTERED, OPEN-AIR FREEDOM IN EVERY DIRECTION MAKES JEEP® WRANGLER ABSOLUTELY UNIQUE, LET NOTHING STOP YOU FROM FEELING THE WIND IN YOUR HAIR WITH NO SEPARATION BETWEEN YOU AND THE SCENERY AT HAND.

REMOVABLE^{1*} TOPS

Open-air driving has never been more fun than with your choice of the Freedom Top® Modular Hardtop or accessory Sunrider® Soft Top available through Mopar®.

REMOVABLE¹ DOORS

Made of lightweight aluminium, the doors are designed for easy removal¹ with the included TORX® toolkit.

FOLD-DOWN WINDSCREEN¹

The aluminium-framed windscreen is easy to unfasten, fold down and secure to the bonnet with provided straps.

AVAILABLE SKY ONE-TOUCH® POWER TOP

With one-touch operation and removable¹ rear quarter panels. Available on Overland.

*A note about this brochure: all disclosures can be found on the last page.

FREEDOM IS BORN FROM POWERFUL CHOICES

THESE JEEP® BRAND POWERPLANTS OFFER AN IMPRESSIVE MIX OF EFFICIENCY, POWER AND PULL

3.6 PENTASTAR® V6 ENGINE

Load up, set your waypoint and go, enjoying a powerful pull with welcome economy. This proven road star's performance employs friction-reducing applications that ensure its smooth operation. Improved petrol efficiencies compared to the previous Pentastar® engine generation add even more value, helped by the addition of ESS.

209
KILOWATTS

347
Nm OF TORQUE

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimised, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep® Wrangler. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades, 4WD gears and towing. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride.

THE GUTS TO GO FOR THE GLORY

WHEN THE GOING GETS TOUGH, JEEP® WRANGLER GETS YOU WHERE YOU NEED TO GO. YOU'RE SUPPORTED WITH A FULL LINE-UP OF FEATURES THAT HELP YOU MANAGE YOUR PROGRESS AND PROTECT YOUR VITAL PARTS WHILE KEEPING YOU INFORMED OF VEHICLE PERFORMANCE ALL ALONG THE WAY.

U.S. Uconnect® screen shown.

AVAILABLE OFF-ROAD PAGES

Access real-time performance data like suspension travel or keep an eye on your tilt and pitch. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimised experience.

AVAILABLE INTEGRATED OFF-ROAD CAMERA² Mounted within the grille, provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles.

SELEC-SPEED® CONTROL Manages vehicle speeds of 1 kph to 8 kph in 4-LO while traversing off-road terrain without requiring the driver to control the throttle or the brake. This helps the driver focus on steering the vehicle, letting Wrangler put the right amount of power or braking onto the ground.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC) HSA works to prevent Wrangler from rolling when starting on an uphill gradient. HDC is packaged with the 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

SKID PLATES The underbelly of your beast is protected, giving you peace of mind when you're climbing over huge boulders and navigating rough terrain. Every Wrangler gets skid plates covering the petrol tank, transfer case and transmission, so you can move forward with confidence on every road and trail.

LOCKED IN YET FLEXIBLE

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in 4WD traction. An instrument panel-mounted rocker switch can lock either the rear or both axles. Paired with Rock-Trac® 4WD system on Rubicon® models.

OFF-ROAD+

When engaged, it automatically deciphers the type of terrain Jeep® Wrangler is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, it tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling manoeuvres. Standard only on Rubicon models.

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar can be disconnected in 4-LO and 4-HI, allowing the front suspension to travel up to an additional 30 per cent. It reconnects automatically at speeds above 28 kph. Standard only on Rubicon models.

THE TRADEMARK THAT BECAME THE BENCHMARK

EVERY JEEP® WRANGLER WEARS THE TRAIL RATED® DESIGNATION, SHOWING IT HAS BEEN TESTED AND PROVEN IN FIVE MAJOR CATEGORIES, HELPING YOU NAVIGATE THE MOST DIFFICULT CHALLENGES MOTHER NATURE CAN DISH OUT.

RELAX IN A COSY CABIN

INSPIRED BY JEEP® BRAND HERITAGE, THIS INTERIOR IS ALSO INSPIRED BY MODERN DESIGN, FILLED WITH PREMIUM MATERIALS AND CREATURE COMFORTS AND INFUSED WITH THE LATEST LEAPS IN MUST-HAVE TECHNOLOGY.

REMOTE START SYSTEM⁴

Climb into a pleasantly preheated or precooled Jeep® Wrangler — up to a 91-metre range.

AVAILABLE HEATED FRONT SEATS

You have three adjustments to choose from for each seat, so you can tailor your level of warmth to weather conditions and personal preference.

AVAILABLE HEATED STEERING WHEEL

Set this optional feature to automatically warm the full 360° circumference of the wheel when temps dip below 4°C.

HEATED MIRRORS

Keep ice from building up and blocking your view with the safety and security of heated side mirrors.

REMOTE PROXIMITY ENTRY

Keep the key fob in your pocket, and you can simply open the door, get comfortably seated with your foot on the brake, press the Start button and head out.

A CLOSER LOOK

7-INCH DRIVER INFORMATION DISPLAY

Front and centre in the gauge cluster, you'll find a wealth of scrollable vehicle data in full colour that you safely control via steering-wheel buttons.

DURABLE STYLE Jeep® Wrangler is crafted with premium materials and more attention to detail, so you can pay attention to the road ahead in comfort. This is style that steps it up to perform extra duty for both business and pleasure.

**ATTENTION
TO DETAIL**

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL

Constantly adjusts air temperature inside the cabin to create separate customised environments for driver and front passenger.

HEARD LOUD AND CLEAR

ALPINE

ALPINE® PREMIUM SOUND SYSTEM

Surround yourself with an exhilarating audio experience that includes nine speakers, an overhead sound bar, an all-weather subwoofer and 552-watt amplifier.

Uconnect®

A LOT TO CONNECT WITH

The Uconnect® system is your customisable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use touchscreen.

PHONE/TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,⁵ select media stations and access navigation. Includes Apple CarPlay^{®6} support with your connected iPhone[®] and Android Auto.^{TM7}

U.S. Uconnect® screen shown.

ELECTRONIC STABILITY CONTROL (ESC)⁸

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC⁸ coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS), Traction Control and Trailer Sway Control (TSC)⁹, sending them into action when needed.

CARVE YOUR
OWN PATH

ADVANCED SAFETY & SECURITY SYSTEMS

WHEN IT COMES TO YOUR WELL-BEING ON THE ROAD, JEEP® WRANGLER IS READY AND WILLING TO STAND AS A CONSTANT GUARDIAN. WRANGLER ENVELOPS YOU WITH MORE THAN 80 STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES. SENSORS AND CAMERAS KEEP WATCH AROUND YOUR PERIMETER FOR COMPLETE PEACE OF MIND.

BLIND SPOT MONITORING¹⁰ AND REAR CROSS-PATH DETECTION²

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached.

PARKSENSE® REAR PARK ASSIST SYSTEM¹¹

Works in tandem with the ParkView® Rear Back-Up Camera² to help display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 6 kph, the system will automatically bring the vehicle to a stop if an object is detected.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC)

HSA works to prevent Wrangler from rolling when starting on an uphill gradient. HDC is packaged with the 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

4x FORTRESS

THIS HIGH-STRENGTH SUPER STRUCTURE HELPS
PROTECT EVERY OCCUPANT AND IS FILLED
WITH FEATURES THAT ADD PEACE OF MIND.

Overseas model shown.

BODY STRENGTH The exceptionally solid safety cage consists of high-strength steel paired with lightweight aluminium, designed to make Jeep® Wrangler light in weight while still providing a very strong chassis.

ADVANCED MULTISTAGE AIR BAGS¹² In the unfortunate occurrence of a collision, these air bags¹² deploy nearly instantaneously, providing occupant protection that's matched to crash severity.

SUPPLEMENTAL FRONT-SEAT-MOUNTED SIDE AIR BAGS¹² Deploying from the outboard side of each front seat, these air bags¹² enhance the protection of the driver and front-seat passenger in certain impacts.

ULTRASONIC AND ANTI-TILT SECURITY SYSTEM The alarm is activated by virtually any unauthorised movement, such as wheel removal or towing; illegal opening of a door, bonnet or swing gate; ignition start; cutting of battery leads; or motion inside the cabin.

SENTRY KEY® ANTITHEFT ENGINE IMMOBILISER A unique, embedded key code matched only to your vehicle helps keep your Wrangler safe and secure where you parked it.

LED LIGHTING GROUP Maintain a unique — and safe — presence after dark, and add extra visual security during the day. The traditional round headlights are equipped with unique daytime running lights (DRLs), and the Group's LED headlights, tail lights and front LED fog lights are designed to enhance visibility during inclement weather.

UCONNECT® INTEGRATED VOICE COMMAND WITH BLUETOOTH®

Multitasking is the way of today's world, even when you're on the road. This important safety feature allows drivers to safely send, reply or listen to a text⁵; take or make phone calls; get navigation directions; and more while keeping both hands on the wheel.

PARKVIEW® REAR BACK-UP CAMERA² WITH TRAILER VIEW

When the vehicle is in Reverse, the Uconnect® screen displays a wide-angle view of what's immediately behind your vehicle, revealing objects that may have been out of your sight line. You'll also hear an audible

warning. On-screen dynamic grid lines help you see your back-up path or line up a trailer to your hitch. You'll also be able to keep an eye on your tow load while in motion.

**SEE THE WORLD SAFELY
AND IN A NEW LIGHT**

DESIGNED TO BRING IT ON

Properly secure all cargo.

SMART UTILITY

IN-FLOOR STORAGE BIN The cargo floor behind the second row of seats hides a storage area whose lid secures when the swing gate is closed — perfect for storing larger items.

AVAILABLE TRAIL RAIL™ CARGO MANAGEMENT SYSTEM Increase your cargo-carrying capability with this versatile system. It includes aluminium rails on the tailgate and cargo floor, along with cargo anchors that lock into place.

MODULAR SEATBACK JEEP® UTILITY GRID SYSTEM Exclusive to and integrated into the Rubicon® front seatbacks, it allows for additional flexible storage options. Durable nylon woven straps accommodate Modular Lightweight Load-carrying Equipment (MOLLE)-style bags. The available Mopar® kit includes a set of three bags (small, medium and large), each with attachment straps and featuring the Jeep® Brand logo.

BINS AND POCKETS

The cabin is designed to help you stay organised with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more. The two-tiered centre console has a main bin big enough to fit an iPad® and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for mobile phone or key fob storage.

A CABIN CRAFTED TO SERVE

WEATHERPROOF PUSH-BUTTON START The standard push-to-start button is protected by a water-resistant shield, so you're able to start up and head out should the weather outside accidentally come inside.

WASHABLE INTERIOR Not only is the carpet weather-resistant, but it can be removed¹ to reveal drain plugs that, when removed,² allow the floor to be easily hosed out.

MORE POWER TO YOU Connect to and power up your devices with the USB, micro USB, 12-volt and audio jack situated on the front dashboard. An additional 230-volt outlet and two USB ports¹³ are on the rear of the centre console, especially handy for device users in the second row.

NO TOY LEFT BEHIND

JEEP® WRANGLER UNLIMITED can confidently tow up to 2495 kg when properly equipped.

TRAILER SWAY CONTROL (TSC)⁹
Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control,⁸ TSC⁹ helps keep you and the toys you tow safely on course.

Properly secure all cargo. Always tow within the vehicle's capacity.

RUBICON®

Overseas model shown.

Overseas model shown.

JEEP® WRANGLER RUBICON® This mighty trail-master arrives fully equipped with all of the proven features that make it worthy of tackling the world's wildest terrain. Standard features include all-terrain tyres, locking front and rear Dana® 44 heavy-duty axles, electronic sway bar disconnect, Rock-Trac® 4:1 transfer case with a crawl ratio of up to 77:1 and steel off-road rock rails.

Overseas model shown.

U.S. Uconnect® screen shown.

JEEP® WRANGLER OVERLAND Overland® gives you the best of all worlds: authentic Jeep® Brand capability and exceptional refinement. Standard features include Selec-Trac® Full-Time 4WD System, Uconnect® 4 with 7-inch touchscreen, 7-inch reconfigurable Driver Information Display, Automatic Temperature Control, soft-wrapped console lid and armrests with accent stitching, 18-Inch Tech Grey Diamond Cut Wheels, ParkView® Rear Back-Up Camera,¹ body-colour fender flares and body-colour roof and grille with accents, and side steps.

Overseas model shown.

NIGHT EAGLE

JEEP® WRANGLER NIGHT EAGLE With its Gloss Black exterior accents, Deep Tint sunscreen windows and 17-inch Black Painted Alloy Wheels, Night Eagle travels in stealth under the cover of darkness. Its standard Remote Start system helps for quick get-aways, while the standard Dark interior accents and Hard Top headliner are in place to help you remain incognito. Listen to your preferred soundtrack via the standard 9-speaker Alpine® Premium Sound System. The standard Uconnect NAV system with an 8.4-inch full-colour touchscreen offers navigation, and the standard Jeep® Wave premium owner loyalty program provides a long list of benefits and a dedicated support system that's always there.

ADVENTURE AWAITS

(1) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with the doors off and windshield down is for off-road use only. (2) Always check entire surroundings visually before proceeding. (3) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (4) Check state and local laws regarding the use of remote start systems. (5) Voice Text Reply feature requires a compatible mobile device that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. (6) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (7) To use Android Auto on your car display, you'll need an Android phone running Android 6 or higher, an active data plan and the Android Auto App. Google, Android, Android Auto, YouTube, YouTube Music and other marks are trademarks of Google LLC. (8) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (9) Always drive carefully, consistent with conditions. (10) Always check visually for vehicles prior to changing lanes. (11) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (12) Always sit properly in designated seating positions with seat belts securely fastened at all times. (13) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD.
