sculpted design

With its assertive silhouette, muscular shoulders, and imposing front grille, Koleos wins you over at first glance.

Koleos boasts its raised ground clearance, high skid plates on the front and rear bumpers, and its range of alloy wheel rims. Its signature C-shaped LED lighting and sweeping tail light design also leave a lasting impression.

The captivating Koleos is ready to take you anywhere that's waiting.

raise expectations

Refinement hits you first when entering the Koleos. The finish is meticulous, right down to the smallest details: satin chrome for the inserts on the steering wheel and air vents; padded, soft-touch materials on the dashboard and door trims; covered grab handles.

With dual-zone climate control and rear air vents, and a state of the art Arkamys 3D sound system, you could be sitting in your lounge room.

Koleos sets the bar with a new level of comfort. High-quality, Nappa leather* upholstered seats wrap around you and your passengers, and heated^ and ventilated* front seats ensure you are content during every drive.

dominate terrain

Allow yourself to be tempted by adventure and go off the beaten track with all mode 4x4-i technology. Switch from 4x2 to 4x4 in the blink of an eye and experience its off-road capabilities. Your vehicle will maintain perfect grip whatever the circumstances thanks to the optimal distribution of torque between the front and rear wheels. Discover the new hill descent control technology, which will keep you safe when driving down a slope. The vehicle automatically adapts its speed depending on the slope.

Koleos makes daily life easier. Have you got your hands full?

With the automatic tailgate*, place your foot underneath the rear bumper and the motorised tailgate will reveal 458 litres of luggage space. With the "One touch easy folding" system, the rear seats recline with ease, creating a huge luggage space with a fully flat floor.

For parking manoeuvres, the easy park assist system simply takes control and parks the vehicle smoothly, without you having to touch the steering wheel. The best of modern technology will help you in your everyday life.

1. **aluminium roof bars.** Need extra space? If Koleos's class-leading boot space isn't enough for you, you can store extra items on your roof.
2. **side steps.** Highlight the design of your Koleos's lines with premium sidesteps. These practical sidesteps make it easier to access your vehicle and its roof. They also protect the body from everyday minor impacts.
3. **towbar.** Take advantage of Koleos's 2-tonne towing capacity and take your boat, caravan or trailer with you anywhere.
4. **boot sill protector.** Prevent damage to your boot sill when loading larger or heavier items into the back of your Koleos.
5. **carpet floor mats.** Take comfort and protection to a whole new level with these high-quality floor mats. They also help to keep the foot wells of your Koleos nice and clean.

Renault at your side

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

Comprehensive Warranty

Renault has been building motor vehicles for more than 100 years. This wealth of experience is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all our passenger vehicles.

24/7 Roadside Assistance

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for up to 5 years when you service your vehicle with Renault, regardless of how many kilometres you travel. Available 365 days a year, all across Australia.

Capped Price Servicing

You'll enjoy the benefits of lower maintenance costs for your first 5 years or 150,000 km (whichever occurs first) behind the wheel of your new Renault. The CPS program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. Renault vehicles only require servicing once per calendar year or every 30,000 km (whichever occurs first) - not every six months like some manufacturers.

Genuine Renault Parts

Parts, lubricants and accessories are of the highest quality and are specifically designed for Renault vehicles. They are purpose-built, guaranteeing fit, function and performance. They are also covered by our 1 year unlimited kilometre warranty.

1 Year of Free Map Updates

As a new Renault owner, you will receive 1 year of free map updates to provide you with the most up to date navigation information in your vehicle.
