

The Caddy California

The Caddy California

A home away from home

The Caddy California.

With the innovative and sophisticated design, you can explore our country trouble-free.

Modern design.

Sleek, aerodynamic and sporting an eye-catching honeycomb structure and 17-inch 'COLOMBO' alloy wheels in glossy black, it is both stylish and practical.

Sweet dreams all night long.

The cosy folding bed gives you all the comfort and space to relax under the stars.

Perfect for camping.

The flexible interior includes ample storage space, including under the bed and storage bags, plus the addition of folding chairs and table, additional interior lighting and ventilation vents.

Ultra-digital and closely integrated.

Crystal clear Digital Cockpit and a choice of either 8.25 or 10-inch high definition with App-Connect~ integration.

Proven quality.

Durable materials, high-quality workmanship and reliable engines.

State-of-the-art driver assistance systems*.

The latest generation of driver assistance systems, including Adaptive Cruise Control 2.0, "Travel Assist" with "Emergency Assist" and Lane Change System "Side Assist" with Rear Traffic Alert.

Go the distance.

The Caddy is available with the latest TSI and TDI engines, along with a 7-speed DSG gearbox, providing an excellent and efficient driving experience.

* Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
~ App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, optional connection cable (sold separately).

Everything in view. Easy functionality.

Experience digital progress first-hand in the Caddy California. The touch-sensitive displays recognise the same gestures as a smartphone, you can control navigation, multimedia functions and even control the air-conditioning all on a single screen.

01 Direct access button module. The module is arranged centrally around the hazard warning lights button and uses shortcuts for easy access to major functions such as driver assistance systems, air conditioning functions and parking assistance systems*.

02 'Composition Audio Radio' System. This system offers a 20.9 cm (8.25-inch) colour touch display, 6 loudspeakers, two USB-C ports in the centre console, Bluetooth interface. It also includes App-connect- as standard. | C |

03 Navigation System. In addition to the "Composition Audio" system, this option offers a 25.4 cm (10-inch) Colour Touch Display, 2D /3D navigation, plus a wide range of map options and also includes App-connect- as part of the package. | C |

Standard Optional extra | C | California

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
- App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, optional connection cable (sold separately).

Image shown for illustrative purposes only and varies from standard specification. Caddy shown with optional "Discover Media" with 25.4-cm (10-inch) Color Touch Screen.

Standard equipment.

Variant

Maxi Wheelbase
1.5L TSI220 84kW or 2.0L TDI320 90kW engine
7-speed dual clutch gearbox DSG
Front-Wheel Drive

Design

17-inch 'COLOMBO' Alloy Wheels in glossy black
Bumpers and door handles in colour-coded design, exterior mirror housing with black paintwork
Electrically adjustable, power folding and heated exterior mirrors
Sliding door, left and right side
H7 Halogen headlights
Hinged windows in passenger sliding doors
Hinged windows in rear compartment
Tailgate with window aperture
Chrome-coloured Caddy badge on rear tailgate
California decals on rear panels
Black roof rails

Air conditioning and sun protection

"Climatronic" two-zone air-conditioning system incl. AirCare
74% light-absorbing glass in rear side windows and rear window
Heat-insulating windows

Functional Equipment

Trailer hitch preparation

Cockpit

Multi-Colour digital cockpit
Front, side, curtain & centre airbags for driver and front passenger
Seat trim covers in fabric Double Grid
Front seats with height adjustment, 4-way adjustable lumbar support, seat cushion tilt and depth adjustment support
Dash panel with multiple stowage compartments and illuminated glove box
Roof gallery with storage tray
Matte infotainment system trim
Carpet floor covering in cab
Centre console with height-adjustable centre armrest, stowage compartment and two drink holders
Leather wrapped multifunction steering wheel
12 V socket in the front of the centre console
Driver and front passenger electric windows
Sun visors with mirrors
Auto-dimming breakaway interior rear-view mirror

Infotainment and connectivity

'Composition' Radio System with 20.96-cm (8.25-inch) Colour Touch screen with App-Connect™
2 x USB C ports
Digital radio reception
Central locking system with keyless start "KESSI"
Comfort Wireless Charging

Passenger compartment

Five Seats (2 + 3)
Curtain airbag for outer seats in rear
Seat trim in Double Grid fabric
Carpet floor covering
3-seater bench seat in the second seating row, split at a ratio of 2/3 to 1/3, can be folded, double-folded and removed separately
Child seat anchors (ISOFIX) (except centre seat in 2nd row) and top tether on all seats
LED reading light in passenger compartment
Electric child proof lock for sliding doors, lockable from the front cabin
Luggage compartment
Lifting tailgate with rear heated window and wiper
Luggage compartment cover
LED tailgate surround lighting
12-Volt outlet in load compartment
Folding table on the back of the seats in the 1st row of seats

California Unique Features

Double bed, foldable
Privacy curtains
Dimmable LED lights
LED lights in tailgate
2 x Ventilation grids with integrated fly screens for driver and front passenger windows
Table and 2 chairs, foldable
2 x Storage bags at rear side windows
Drawers under front seats
California decal

Driver assistance and safety systems

Driver fatigue detection*
Electronic parking brake with auto hold function*
Electronic stability programme (ESP) with Brake Assist system, ABS, traction control system (ASR), electronic differential lock (EDL) and Hill Start Assist*
Multi Collision Braking System (MCB)
Electromechanical steering
Automatic headlight control with separate daytime running light and entry and exit lighting
Windshield wiper intermittent control with light and rain sensor
Seat-occupied recognition system for all seats
Emergency braking front assist with pedestrian and cyclist monitoring
Lane Change System including blind spot monitoring (Side Assist) with rear traffic alert*
Lane Assist Lane Keeping System*
Park Distance Control in front and rear*
Rear View Camera
Park Assist*
Adaptive Cruise Control (with follow to stop for dual clutch transmission DSG) incl. speed limiter
Comfort drive Travel Assist*
Emergency Assist*

* Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

-App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, optional connection cable (sold separately).

Equipment Features.

01

01 Foldable Bed. The folding bed is supported by the vehicle body, making it easy to set up and pack down.

02

02 Folding Chairs and Table.

03

03 Ample Storage. Efficiently using the space with storage under the foldable bed and the addition of 2 storage bags at the rear side windows.

04

04 Dimmable LED lights and LED lights in tailgate.

05

05 Two (2) ventilation grills with integrated fly screens.

06

06 Optional sunroof. The optional panoramic glass sunroof is your window to the stars.

The driving force.

Efficient TSI and TDI engines.

Whether on the highway, in the city, suburban roads or country, the Caddy California can be ideally adapted to your driving profile. With TSI and TDI engines of the next evolutionary stages, you will have no problem getting you and your family from A to B.

TSI Engine

1.5L TSI220 (84kW, 220Nm)

Front-wheel Drive

7-speed dual clutch gearbox DSG

Combined Fuel Consumption from 6.2L/100km**

TDI Engine

2.0L TDI320 (90kW, 320Nm)

Front-wheel Drive

7-speed dual clutch gearbox DSG

Average Fuel Consumption from 4.9L/100km**

More efficient engine. The two combustion engines of the Caddy California are among the most efficient and economical TSI and TDI engines that have ever been installed in a Caddy.

Dual-clutch gearbox (DSG). No time for idling. The Caddy California is equipped with a 7-speed dual-clutch gearbox for fully automatic gear changes without any interruption in tractive force.

**Fuel consumption figures according to Australian Design Rule (ADR) 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Arrive Safely.

The Modern Driver Assistance Systems

So that every journey ends just as relaxed as it started, the Caddy California comes with a host of Standard Driver Assist Systems* that are capable of making preventive interventions in critical situations.

Driver Fatigue Detection*. Uses visual and audible warning signals to recommend that the driver takes a break as soon as it registers driving behaviour that indicates fatigue. | C |

Seatbelt warning. Visual warning when the engine is started and an audible warning is emitted, if the driver's and/or passenger seatbelts are not fastened. | C |

Airbags. Driver & passenger front, side and curtain airbags provide the best possible protection in the event of head-on or side impacts. In addition 2 side curtain airbags for the second row of seats. | C |

Anti-Lock Braking System (ABS). Prevents the wheels from locking and thereby maintains manoeuvrability. | C |

Electronic Stabilisation Program (ESP). Standard feature that prevents under- and over-steering through targeted braking of the individual wheels. | C |

Electronic Differential Lock (EDL). Distributes the engine torque to the tyres without slippage. | C |

Traction Control Systems (TCS). Prevents wheels from spinning excessively. | C |

Lane Keep Assist*. Countersteers if a lane is left unintentionally while alerting the driver at the same time by using a warning tone and information in the multifunction display. | C |

Tyre pressure monitoring system. Displays the current pressure for every tyre and warns of deviations from the set pressure. | C |

Hill Hold Assist. This prevents the vehicle from rolling back on inclines, making it easier to start off on uphill slopes. | C |

Front Assist with City Emergency Braking*. Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations. | C |

Adaptive Cruise Control (ACC)*. 2.0 with "Stop and Go" function. Helps to maintain the correct distance from the vehicle in front and drives off again after a short standstill time in traffic jams or urban traffic. | C |

Multi-Collision Braking. Triggers braking after a collision, with the aim of preventing secondary crashes, activated when two independent sensors detect an accident. After a short delay, the vehicle begins a phased braking action down to 10 km/h, during which the driver can take over at any time. | C |

Electromechanical Power Steering. The speed-dependent steering with active reset improves your driving feeling and safety and achieves steering precision. | C |

Blind Spot Monitoring with Rear Traffic Alert*. The Blind Spot Monitor with Rear Traffic Alert system supports the driver in assessing and avoiding dangerous situations, especially in critical situations, e.g. city and heavy traffic. The Blind Spot Monitor detects cars and motorcycles in the driver's blind spot and highlights these vehicles via a LED indicator in the door mirror. Rear Traffic Alert warns the driver of approaching traffic at the rear of the car when reversing via an audible warning followed by a visual message in the Optical Parking System (OPS). | C |

Rear View Camera (RVC)*. Simplifies parking by showing a limited view of the area behind the vehicle on the display of the radio. Additional guidelines help the driver manoeuvre into the space. | C |

Rear Park Distance Control (PDC)*. Emits audible warnings when obstacles are detected or behind the vehicle when parking, and also provides a visual display of the vehicle's distance from these obstacles. | C |

Park Assist*. Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout. | C |

Rear Cross Traffic Alert. Monitors the road at right angles to the parking space when reversing out of a parking bay, detects approaching objects and prevents imminent collisions by an automatic braking intervention. | C |

Travel Assist with Emergency Assist. Combines the functions of ACC 2.0, "Lane Assist", and "Emergency Assist" for relaxed long-distance driving. | C |

Lane keeping system "Lane Assist" with counter steering assistance. Detects the vehicle lane by means of a multifunction camera and corrects unintentional departure from the lane as from 60 km/h by corrective counter steering. | C |

Emergency Assist. Reduces the risks if the driver's ability to control the vehicle is impaired. The system initially reacts to inactivity with an acoustic warning and waking jolts and subsequently initiates safe braking of the vehicle. | C |

Lane change system "Side Assist". Warns about vehicles approaching from behind or that are already in the blind spot by means of an LED light in the respective exterior mirror. | C |

Rear View*. Brakes automatically when driving into and out of parking spaces if the Park Distance Control sensors or the rear radar detect an obstacle. | C |

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices. Image shown for illustrative purposes only and varies from standard specification. Caddy shown is a SWB Life variant (not available in Australia) with optional 18 Inch Alloy Wheels "Monterosso" Glossy Black, Silver Roof Rails, LED Main Headlamps with LED Separate Daytime Running Light and LED Rear Combination Lamps.

Standard Optional extra | C | California

Find your accessories

Volkswagen Genuine Accessories ensures your Volkswagen remains 100% Volkswagen. The extensive range of Caddy California Genuine Accessories provides you with the opportunity to adapt your Caddy even more precisely to your individual needs. From transport, exterior and interior solutions to alloy wheels that perfectly complement your Volkswagen.

- 01 Roof racks.** The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.
- 02 Roof box.** The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.
- 03 Surfboard carrier.** Easily secure the surfboard to the carrier and genuine roof racks.
- 04 Ski and snowboard carrier.** The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. For a full range of Volkswagen Genuine Accessories, please refer to the accessories tab at www.volkswagen.com.au or visit an authorised Volkswagen Dealer.

01

02

03

04

- 05 Bike carrier.** Lightweight bicycle rack, designed to be attached to the genuine roof racks.
- 06 Tablet holder.** The Volkswagen innovative Travel & Comfort system has a basic module that is simply fixed between the front seat headrest mountings and can be used with various tablet holder attachments which brings comfort and convenience to any journey. Please contact your local Volkswagen dealer for compatible device.
- 07 Coat hanger.** Meet your business needs. The Volkswagen coat hanger provides crease-free transport of your clothing with a removable function as well.
- 08 Bag hook.** The Volkswagen folding table with built-in cup holder is especially useful on long journeys and offers the rear passengers a practical surface with height and angle adjustment.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. [^]The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

******Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Full vehicle specifications are available at www.volkswagen.com.au

1. The Unladen Mass (UM) includes 10L of fuel, vehicle fluids and no occupants. Figures quoted are for base model vehicles only.

2. Payload figures determined by subtracting 'Unladen Weight' from total 'Gross Vehicle Mass' (GVM). A vehicle's final payload, given the different configurations, can only be determined by weighing the individual vehicle and comparing to the known GVM. Figures quoted are for base model vehicles only.

≠When fitted with Volkswagen Genuine Tow Bar. Towing capacities are applicable to Volkswagen Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

5 years Unlimited Kilometre Warranty

At Volkswagen, we pride ourselves on the highest quality standards that come with German engineering.

We back this commitment with a 5 year unlimited kilometre warranty on all new Volkswagen vehicles¹.

1 year Roadside Assist

Every new Volkswagen comes with a 1 year Roadside Assist membership².

That's 24 hour roadside assistance, emergency accommodation, car rental and towing as well as property and other assistance, all included for added peace of mind.

Volkswagen Care Plans

Volkswagen Care Plans³ have you covered for your first 3 or 5 scheduled services, providing you savings off the total Assured Service Pricing RRP. It's convenient, hassle-free scheduled servicing easily available for purchase at your local Volkswagen Dealer.

Assured Service Pricing

Assured Service Pricing⁴ gives you the transparency of knowing how much your service will cost up front.

Our Volkswagen Dealers have access to the latest diagnostic equipment and tools. Plus, they use Volkswagen Genuine Parts[®] to ensure your Volkswagen stays a Volkswagen.

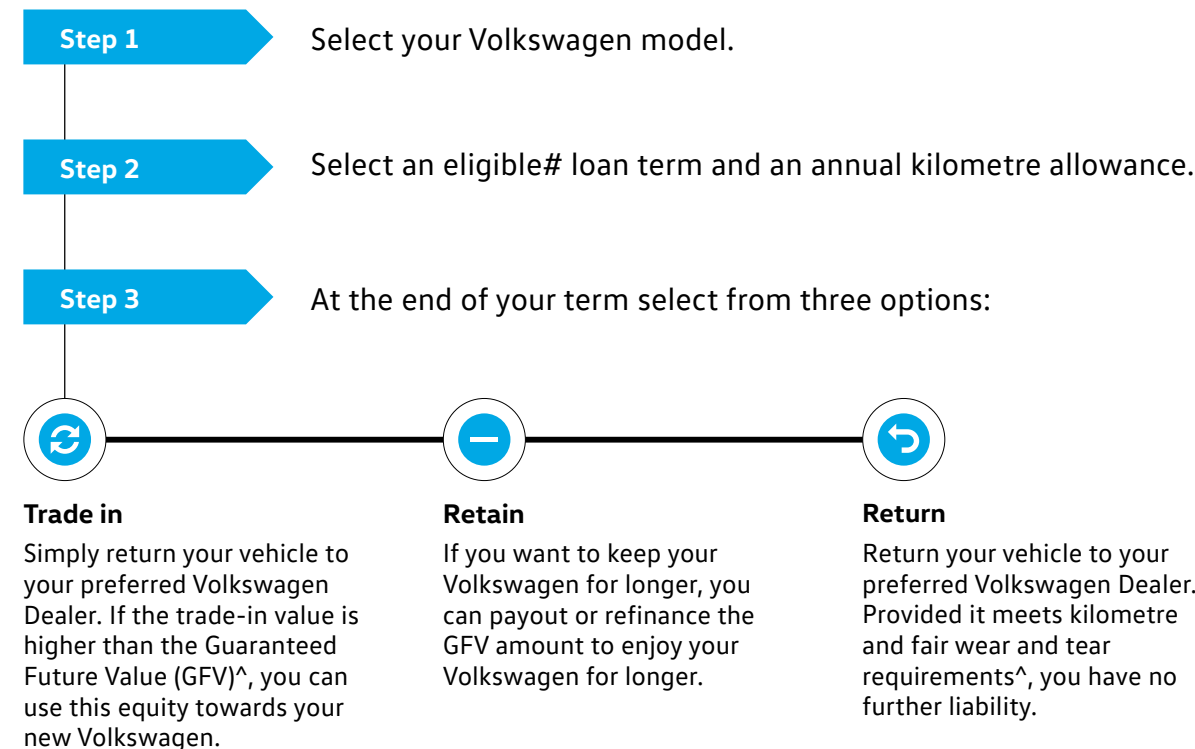

You're in safe hands at your Volkswagen Dealer when it comes to servicing.

Volkswagen Choice[^]

Guarantee the minimum future value of your Volkswagen

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

¹ Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

² Volkswagen Roadside Assist membership is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance. Whenever you request roadside vehicle assistance under your membership, you will be making that request to Allianz Global Assistance, who will provide the services under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. The terms and conditions contain exclusions and limitations, please visit <https://www.volkswagen.com.au/en/owners-service/roadside-assist.html>.

³ Volkswagen Care Plans are available for purchase at <https://www.volkswagen.com.au/en/owners-service/care-plans.html> or from participating authorised Volkswagen Dealers for Eligible Vehicles and covers standard items as contained in each scheduled service interval only. The service intervals occur every 15,000 KM/12 months (whichever occurs first) for all models except MY18 to current Crafter vehicles and MY21 onwards Amarok vehicles, which are scheduled to occur every 20,000 km/12 months (whichever occurs first). These Care Plans can only be purchased prior to the first scheduled service and up to 22,500 km/15 months (whichever occurs first) for all models except MY18 to current Crafter vehicles and MY21 onwards Amarok vehicles which is 30,000 km/15 months (whichever occurs first). The timeframe takes effect from when the vehicle is first reported in our system as 'sold'. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions.

⁴ Assured Service Pricing applies to the first 5 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first) or for MY18 to current Crafter vehicles and MY21 onwards Amarok vehicles only, 20,000kms/ 12 month interval (whoever occurs first). Volkswagen will publish the maximum price for a specified Scheduled Service on 1st February each year (or first business day after this date), and pricing will remain fixed for 12 months only. For more details on the Eligible Model's, pricing, items not included and for full terms and condition, please see <https://www.volkswagen.com.au/app/locals/service-pricing-guide>.

[^]Volkswagen Guaranteed Future Value consists of an option to return your vehicle to Volkswagen Financial Services (VFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires VFS to purchase the vehicle at an agreed price determined by VFS, known as the Guaranteed Future Value (GFV). [#]Eligible loan terms include 12-60 months, vary by model and are subject to change, ask dealer for more information. At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator Volkswagen vehicles for selected models. Contact your Official Volkswagen Dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
